

2024 IMPACT REPORT

OUR MISSION IS TO ASSIST YOUTH AND FAMILIES IN ACHIEVING SAFE, SELF-SUFFICIENT STABLE LIVES.

For 50 years, Southeast Youth and Family Services (SEYFS) has been a pillar of support for youth and families in Southeast Seattle, providing mental health counseling, youth development programs, housing assistance, and educational resources. This past year, we celebrated this legacy at our 50th Anniversary Breakfast at the Esquire Club, where we reflected on the lives we have touched, the partnerships we have built, and the progress we have made. We were honored to receive a City Proclamation from Mayor Bruce Harrell's Office, recognizing SEYFS' invaluable contributions

to the community. We are also deeply grateful for the generosity of our donors—including the anonymous supporters who contributed last year—whose gifts allowed us to surpass our fundraising goals and expand essential services.

As SEYFS embarks on its next chapter, we celebrate the incredible impact we have made together and the strong foundation we have built for the future. While our work is evolving, our commitment to the youth and families of Southeast Seattle remains unwavering. We invite you to continue supporting this mission—whether through advocacy, partnerships, financial contributions, or volunteer efforts—so that the legacy of SEYFS continues to uplift and empower generations to come. Thank you for being an essential part of this journey and for ensuring that our impact endures.
